APPROVED SCHENGEN INSURANCE COMPANIES PAKISTAN

Health Insurance:

Before endorsement of the visit visa, applicants have to present health insurance.

It is a requirement that applicants **must show that they are in possession of adequate and valid health insurance before issuance of visas to Denmark.** This is a requirement for issuance of visas in all Schengen countries, cfr article 15 of the Visa Code.

The health insurance must cover expenses in connection with repatriation due to medical reasons, medical expenses and emergency hospitalisation. The insurance policy must be valid for all Schengen countries, and the minimum coverage must be 30.000 EURO.

The documents of the valid insurance must be presented at the time of submission of the application.

As of now, there are at least 17 companies offering an insurance, which covers the requirements, see below list.
